Beth,
Well it was hard finding a place to write so I guess I'll write here! We've done some pretty wild things this past year and you've made my freshmen year real remomarable. It's been one big trip. HA/HA. You are a very crazy, cute and great friend. I hope we always remain close friends. I'm hear for you anytime you just want to talk. I'll never forget some of the things we've done like loosing the cop on our trip to Tukerman, the russell and mums, my party, pissing at Elgin, calling "travel" grubbites - rednecks! This year has been real and it's been fun. I want to wish you the best of luck in everything and I hope you get who you want. You and Sheila and Laura are like big sisters to me. So take care this summer and you'd better keep in touch, so maybe I could wear my earrings some time! HA/HA. This summer we will kick ASS. Best Wishes,

PEACE!

Love,

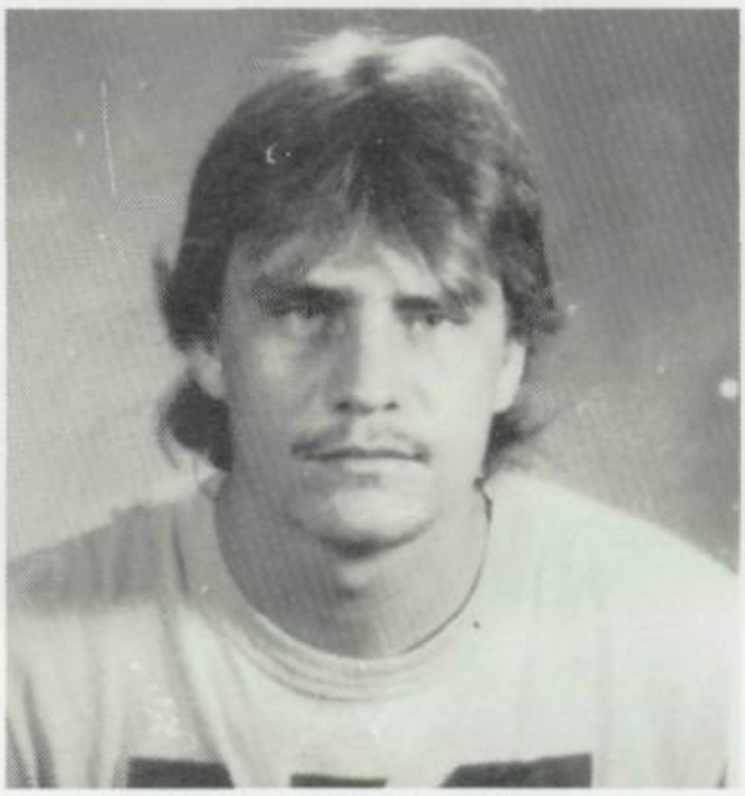
In Memoriam

Roger W. Fergerson
July 21, 1968 - May 18, 1984

"Be glad of life because it gives you the chance to love and to work and to play and to look up at the stars."

— Henry Van Dyke

Roger was a former member of the class of 1986. His life tragically ended on May 18, 1984, when he was struck by a car while riding his motorcycle with a friend. His memory will always hold a special place in the hearts of those who knew and loved him.



Vernon Lee Reynolds
October 11, 1967 - May 5, 1985

Lee's life tragically ended on May 5, 1985, in an automobile accident.

Jamie Lynn Free
June 17, 1965 - June 2, 1985

Jamie was a 1983 graduate of Newport High School and sister of our sponsor, Mr. Jimmy Free. Her life ended tragically on June 2, 1985, in an automobile accident. Jamie will always be remembered for her loving spirit and friendly smile.

Time cannot stand the treasures
That we carry in our hearts,
Nor dim the shining thoughts
Our cherished past imparts,
And memories of the one's we've loved
Still cast their gentle glow
To grace our days and light our path
Whenever we may go.

Dedication

Mrs. Lynette Miller

The yearbook staff lovingly dedicates this edition of the *Lakeside* to Mrs. Lynette Miller. Mrs. Miller was advisor of the *Lakeside* Staff for 14 years. She devoted many long hours to helping the staffs through stressful situations, such as struggling to meet deadlines and pondering over how to draw layouts. We appreciate her hard work and dedication. We love you Mrs. Miller, and we will never forget you.

This year the class of 1986 dedicates this yearbook to Mr. Jon Barbarotto, known to many as Mr. Bar. Up until the time of his retirement in 1984, Mr. Bar cared for his students on a personal level, wishing them to be truly successful in life. Mr. Bar brought forth a very excellent band program, teaching the true meaning of music and the importance of music in the lives of people today. He also implanted a real appreciation for music in his students. We, the seniors of 1986, wish to thank him for all the love and kindness that he so graciously added unto us.

Mr. Jon Barbarotto

One more yr! You'll get to rule the school next year Seniors of 87. I know I've gotten pretty mad at you sometimes. But, it's all blown over now. Everything's O.K. We all have to go thru those stages at one time or another. Maybe someday you'll see Brian again. I don't know, maybe it will be good for you. Good luck with [scribbled out] MISTAKE Pup! He'll probably treat you good. I hope so. Well its 45 seconds til the bell. This is gonna have to wait! O.K. I'm back! But I'm gonna go. Thinking of all the things we've done makes me sad! Beth,

Well, this year is almost over. Its been a great one! I know I'll never have another one like this one at all! Ha. Maybe one I'd look back on it one day and it won't seem so bad. We've had some great times. The most fun we've had together was that party on Rollocoster Road. On the way home you might say, "We went "Crazy" (Remember?) Remember the day we skipped school and burnt my mothers tweezers (ha ha) I've still got some evidence. Even tho you cant dating EC we did have some good times. That week we saw PW and EC everyday (remember) But for you that was a lesson well learned. Its O.K. tho. You and I both know mistakes are made by everyone! We're entitled. We are only human. And teenagers at that! I hope our lives turn out alright they probably will, we've got a long way to go. We've been true be jr. play Sgt Hill, Whippet tryouts, signing up for annual staff never forget our little skit & We were good!

Beth,

I really don't know where to start; I've got so much to say. We've done some pretty wild and crazy things, since we've known each other. But this year has got to be the wildest (these past few months.) We've had our ups and downs, but we're still the best of friends. I have to say we've both done some pretty stupid things, things I know we both regret. I guess what's done is done, live and learn, forgive and forget (I sound like a book of knowledge.) I think these older guys have a bad effect on us. Our friendship is worth much more than any of them. I'm not saying things exactly like I wanted to, but I want you to know - I'm always here, if you need anyone to talk to or someone to go chasing guys with. Let me name a few of our wilder times so you'll never forget - the time we were with Woodard and Dowell and we came back to my house and you could scoop the ice-cream, Brian + you + me + Jeff had a wild turkey night. When we got to my house - remember my parents? "How much did you drink?" Beth: "Just a little." Then she went staggering down the hall. How about the time at Jimmy Dons when we couldn't stop laughing. I guess me + you laugh alot, we always have a funtime when we're together. Oh! I don't want to forget our trip to Tuckerman. I'm about out of room I'll have to go to a new page. Go one page over under Perry Smith →
